Dear parents,

We are proud to continue our school bus service in the 2019/20 academic year after many successful years of transporting children at the Lycée Français Gustave Eiffel. We are pleased to offer you a variety of minibus transport solutions in Budapest. Pick up for your child can be arranged on a one way or a return basis.

WHO ARE WE? PREMIER SCHOOL BUS is a company who provides modern minibuses. Since our first bus rolled of the roads of Budapest in 1990, we have operated with one simply philosophy: create a kind of service that we want our children to use, where experienced staff (English speaking drivers and English-French speaking coordinator) can give their best to provide a safe and child-friendly travelling between home and school.

Door to door: Children are picked up from their house and are driven to the school. Buses arrive to the campus at 7.50am. In the afternoons they are taken home, or to any other location that is settled by the parent in advance (e.g.: sports or other after school activities). We will inform the families about the morning pick-up times before the academic year starts.

Afternoon departures

Monday, Tuesdays, Thursday, Friday 15.15 and 17.15
Wednesday 14.15 and 16.15

*(At 16.15 and on Wednesday at 15.15 children can take the bus to Shuttle points (depending on applicants):
Budagyöngye, Széll Kálmán tér, Pasaréti tér, Törökvész út.)*

Navette: Children are picked up and dropped off at designated points within Budapest and suburbs. The list of bus stops is included in the price list. We will inform the families about the operating bus stops, their exact location and the pick-up times before the academic year starts. Only the bus stops required by at least 8 students at the same time will operate!
Buses arrive to the campus at 7.50am.

FEES AND PAYMENTS

Fees are based on a pass system: the student is signed up for one year, paid in advance either yearly or by trimesters. Passes are valid for the whole school year, for the days given in the school calendar. If there are free seats on the given bus, the service can be taken for a shorter period, even for one trip, on daily basis.
