## SCHOOL BUS

### DEAR PARENTS,

We are pleased to offer you a variety of school bus transport solutions in Budapest. Pick up for your child can be arranged on a one-way or a return basis.

We create a kind of service that we want our children to use, where experienced staff (English speaking drivers and English-French speaking coordinator) can give their best to provide a safe and child-friendly traveling between home and school.

### FEES AND PAYMENTS

Fees are based on a pass system: the student is signed up for one year, paid in advance either yearly or by trimesters.

If there are free seats on the given bus, the service can be taken for a shorter period, even for one trip, on daily basis.

We accept the scholarship, although if there is any difference, it is to be paid by the family.

### DOOR-TO-DOOR AND NAVETTE PREMIUM

Children are picked up from their house or from a pre-arranged pick-up point near their home and are driven to the school. In the afternoons they are taken home or a drop-off point near home, or to any other location that is settled by the parent in advance (e.g.: sports or other after-school activities).

- It is possible to use different bus stops in the morning and in the afternoon fixed in advance at the beginning of the school year.
- Changes during the year are allowed if the request is manageable.
- The big bus is not waiting for children to arrive late at the bus stop. If a parent or child is late, the coordinator is resolving the situation with the parent. After 3 occasions a late fee will be charged.
- Occasionally (max 3 times/school year) a friend or parent can join the school bus, in case of free seats - without extra charge.

Afternoon departure times:  
3.45 p.m. and 4.45 p.m.\*

*\*At 4.45pm, we can transport children to certain addresses or pick-up points, depending on the number of requests.*

### NAVETTE - SHUTTLE

Children are picked up and dropped off at designated points within Budapest and the suburbs. We will inform the families about the operating bus stops, their exact location, and the pick-up times before the academic year starts. Due to the limited availability of seats, early registration is strongly recommended.

- Only the bus stops required - at the same time - by at least 8 students will operate!
- Service is only available if there are a minimum of 50 children applying for one big bus. Applications are accepted on a first-come, first-served basis. The 50 passengers per trimester will be recalculated, and if we receive so many cancellations that there are not enough passengers for a morning bus, we may stop the service on that bus.
- Bus stops are not variable on different days nor in the morning and afternoon.
- Only one departure in the afternoon.
- The bus is not waiting for children to arrive late.
- In case of a parent is late in the afternoon there will be a late fee charged.
- There is a Surveillante traveling on the 45 or above seater buses.
- Changes during the school year are not allowed.
- Nor a friend nor a parent can join the school bus.

Afternoon departure times:  
3.45 p.m.
